## Projects

### Current projects

Analyse der industrierelevanten wirtschaftlichen Rahmenbedingungen in Deutschland im internationalen Vergleich

Client: Bundesministerium für Wirtschaft und Energie (BMWi) • Project period: June 2019 - May 2020 • Department: Institute for the World Economy

Greening the CAP by Harnessing the Power of Environmental Economics

Client: foodwatch e. V. • Project period: August 2019 - September 2019 • Department: Institute for the World Economy

Kosteneffektiver Klimaschutz in Europa

Client: Verband der chemischen Industrie e.V. (VCI) • Project period: July 2019 – August 2019 • Department: Institute for the World Economy

Multiple Framework Contract with re- opening of competition for the provision of evaluation services to the European Commission in the field of Trade (EXPO)

Client: Directorate General for External Policies • Project period: 2019 – 2024 • Department: Institute for the World Economy

The Role of Structural Change and Distributional Effects (ROCHADE)

Client: Bundesministerium für Bildung und Forschung (BMBF) • Project period: July 2019 - December 2021 • Department: Institute for the World Economy

Transatlantic Trade and Investment Partnership – International Training Network (EUTIP)  
Client: H2020 - MSC • Project period: April 2017 - April 2021 • Department: Institute for the World Economy

## **Concluded projects**

Assessment of the net employment effect given a change in the rules in foreign supplies in the German Federal government's export credit guarantees ("Hermes cover")

Client: German Federal Ministry for Business and Energy • Project period: October 2014 - March 2015 • Department: Ifo Center for International Economics

Brexit and its Economic Consequences for the German State of Hesse

Client: Frankfurt am Main Chamber of Commerce and Industry • Project period: March 2018 - April 2018 • Department: ifo Center for Macroeconomics and Surveys and ifo Center for International Economics

Climate Change and International Trade: Towards a Causal Analysis of Carbon Leakage

Client: Deutsche Forschungsgemeinschaft (DFG) • Project period: April 2011 – November 2013 • Department: Ifo Center for International Economics

Costs and Benefits of Britain's Exit from the European Union

Client: Bertelsmann Foundation • Project period: February 2015 - April 2015 • Department: Ifo Center for International Economics

Development in income inequality: data, facts and perceptions

Client: Stiftung Familienunternehmen • Project period: November 2015 - May 2016 • Department: Ifo Center for International Economics

Development of an indicator for the intensity of international competition on the sector or product level

Client: BMWI • Project period: 15 September 2013 - 15 November 2013 • Department: Ifo Center for International Economics

Dimensions and Impact of a Free Trade Agreement Between the EU and the USA

Client: Federal Ministry of Economics and Technology • Project period: July 2012 - January 2013 • Department: International Trade

EU Integration of Turkey at a Crossroads

Client: Bertelsmann Foundation • Project period: December 2015 - April 2016 • Department: Ifo Center for International Economics

Economic Dimensions and Effects of the Alianza del Pacifico

Client: Konrad-Adenauer-Stiftung • Project period: June 2014 – December 2014 • Department: Ifo Center for International Economics

Economic Effect of a Brexit on the German and European Economy

Client: Ministry for Economic Affairs and Energy • Project period: March 2017 - April 2017 • Department: ifo Center for International Economics

#### Economic Growth Impacts of Climate Change (ENGAGE)

Client: Leibniz-Gemeinschaft (SAW) /Potsdam-Institut für Klimafolgenforschung e.V. (PIK)  
• Project period: March 2016 – February 2019 • Department: Ifo Center for International Economics
